LAKEVIEW COTTAGES

ON THE SHORE OF HUNTINGTON LAKE, CA

Mailing address: 7081 N. Marks #104-371, Fresno, CA 93711 Email: vacations@lakeviewcottages.net Reservation Number: 559-553-3550

May 30, 2014

Greetings from Lakeview!

We open for guests tomorrow, so can say more about lake levels and how we are working with the unprecedented situation.

The east end businesses have a dirt boat launch road that is being used to put small boats into the lake, and those who do are catching fish. Shore fishing by Lakeview Cottages is excellent, as always.

The boat launch at Roy's straight across from us is somewhat available, and Roy's has rental boats moored and ready. Their docks, like every business around the lake, are high and dry. Our beach area now extends down to the water with rocks and sand. The water entry is gentle in several places, making beach activities the best we have ever had. Bring your beach equipment!

Our non-motorized fleet will be available, moored right at the water, and the special $60 per cabin per week charge for non-motorized watercraft will be in effect as it was last year. Some of our powered fishing boats will be available. We will not be able to dock guest boats as in normal years, but mooring and beaching should work just fine given the shore conditions we have. Those using power boats will need to exercise caution, and the consensus of resort owners is that high speeds are a bad idea. Catamarans and small sailboats should be able to enjoy the lake without difficulty, but keel boats are not recommended due to stumps and rocks.

There will be ATV access to the lake bed between Dams 3 and 3a next to the Keola swimming area, so bring them if you want transportation to the water or a different Huntington Lake experience. Mountain bikes can enjoy the lake bed and there are lots of ATV and mountain bike trails in the area. Our swimming area is better than ever, with good sand and a gentle slope into the water.

All in all it looks like a good season shaping up, although different from normal. We look forward to seeing you. Many activities are planned around the lake this summer, and a calendar is available at www.huntingtonlake.info. Check out our photos on http://www.facebook.com/LakeviewCottagesCA.
